

Mary in the confectionery

There are holidays. Mary *does not need* to go to school. Her parents, Aunt Elisabeth and all *adults have to* work. Now Mary can do all day long what she wants. And that's what she does.

Mary's favourite food is cake and chocolate. She *goes with* her aunt to the *confectionery*. Her aunt works in the confectionery as a confectioner. She wants to learn baking. Her mom's birthday is on Friday. Mary wants to make a chocolate *cake and chocolates* for her mom.

What does Mary do during the holidays?

She goes with her aunt to the
